PREFACE.

Such a work as the present has long been needed, and, I may add, sought for: it forms a useful memorandum for the Nobles themselves; it serves as a guide for those who wish to know who the REAL Nobles are; and should prevent persons from using titles to which they have no claim.

This is the first work of the kind that has been published in Malta; I, therefore, trust that any imperfections will be looked upon with such consideration.

NOTES.

1 The Baron, in the late Election, was returned a Member (for Gozo) of the Council of Government, but the indifferent state of his health prevented him from accepting the seat.

2 The Editor feels it his duty to say that, he has not yet read the Diploma of the Marquis of Castiglia. As is well known, the late Marquis, *Adriano Depiro*, by his last Testament gave the Title to his youngest and not to his next and younger brother; whether it was in his power or not to do this, the Editor has not yet been able to ascertain, but he trusts, that by the time the 2nd edition of this work will be published, a copy of the Diploma from Spain will have reached him. It is not out of place to add that, *Carmelo Depiro*, the younger brother above referred to, has since died, but has left two grown up sons and a daughter, besides his widow, who is the only daughter of *the late Sir Pasquale Sciberras-Trigona, Baron della Marsa, &c.*

3 The Jenison-Walworths are closely connected with the Dukes (Beauclerk) of St. Alban's, and the Dukes (Spencer) of Marlborough.

4 The Crispos were Sovereign Dukes of Naxia, and were allied to the Emperors of Constantinople, the Emperors of Trebizond, the Kings of Persia, the Kings of Cyprus, and the Venetian noble families of Sanudo, Zeno, and Cornaro.

5 *Gio.-Battista Mompalao* was created, in 1783, Marquis of Taffia, *pro se tantum*; consequently he was the 1st Marquis of Taffia, and *Saverio Alessi*, who was created Marquis of the same Feud, after his *(Gio.-Battista Mompalao's)* death, was the 2nd Marquis thereof.

PROTEST.—According to the Diploma of Maria Theresa, dated 22 December 1770, the title of Count Sant is granted solely to the first born of the Family, therefore, the present Count Francesco Sant, Baron Cassia, as first born of the elder branch of the Family protests against any one of the Family holding the title of Count Sant, he being the only one who has a right to that title.

EXTRACTS FROM NEWSPAPERS, &c.

CASA SANT.

"We have much pleasure in reproducing the following article from the *Corriere Mercantile* of 18th inst., relative to this noble family, and which we find exact and true:—

"Su questa nobile prosapia sorsero negli ultimi tempi, degli equivoci—che noi siamo in grado di rettificare, coi documenti alla mano.

Con diploma, in data del 22 Dicembre 1770, l' Imperatrice Maria Teresa accordava a Baldassare Salvatore Sant, patrizio Maltese, il titolo e le dignità di Conte, da trasmettersi a' suoi discendenti—di primogenito in primogenito—come risulta dalle seguenti parole che noi ricaviamo dal suddetto diploma:

"*.....te nobilem dilectum nobis* DON BALTHASSAREM SALVATOREM DE SANT, *Nobilem Melitensem, in numerum Comitum assumimus, teque una cum filio tuo* PRIMOGENITO JOANNE FRANCISCO SALVATORE, *et ab hoc eodem nascendi ordine descendentibus, virilis sextus, ex legitimo thoro natis atque nasciturís in infinitum Comitem et Comites Nostrarum in Italia Provinciarum facimus, nominamus, atque creamus: addentes hanc gratiam specialem, ut si aliquando stirpem masculinam familiæ tuæ extingui contingat, Comitis titulus et dignitas* AD PRIMOGENITUM *ex ultima fœmina generis tui superstite natum vel nasciturum, qui gentis tuæ cognomen assumet, ejusque posteros,* MODO ANTE DICTO, SERVOTOQUE SEMPER ORDINE PRIMOGENIALI, *transeat.*

Esso diploma veniva—come d'uso allora—registrato nella Cancelleria dell'Ordine gerosolimitano, a foglio 351, *a to.* e l'*exequatur* magistrale ottenevasi il 12 Dicembre 1775.

Come si vede, il diploma parla che non si può con maggior chiarezza: il titolo di Conte è ad ereditarsi *da primogenito in primogenito.* E però quel titolo si trasmise, fino all'attuale possessore, nell'ordine che segue:

Conte BALDASSARE SALVATORE SANT, a cui veniva concesso il titolo di Conte come sopra.

Conte GIO: FRANCESCO SANT, figlio primogenito del precedente.

Conte LUIGI SANT, BARONE CASSIA, figlio primogenito del precedente.

Conte FRANCESCO SANT, BARONE CASSIA, figlio primogenito del precedente, ed attuale possessore del titolo summenzionato.

Avrà osservato il lettore che agli ultimi due conti Sant si trova aggiunto l'altro titolo di *Barone Cassia*—e noi gliene daremo ragione.

Con atto di transazione (pel Notaro Michele Ralli, 14 Aprile 1838) tra Giacinto Cassia ed il Governo dell' Ordine—transazione ratificata dal Gran Maestro e Consiglio il 16 del mese suddetto—la Baronia di Ghariesciem e Tabia veniva riconosciuta appartenere al detto Cassia—coll'obbligo di chiederne ed il diritto di ottenere l' investitura *(petere et optinere investituram)* e così di padre in figlio. Essa Baronia veniva fondata con primogenitura li 10 Giugno dell'anno medesimo.

N' era ultima erede la Baronessa Chiara Felicita Bonici Cassia, moglie al Conte Gio.-Francesco Sant. Dalla quale passava al primogenito Luigi, che avea a successore l'attuale Conte Francesco Sant.

Egli è dunque il solo che possa intitolarsi CONTE SANT, BARONE CASSIA. Se qualche altro individuo della stessa famiglia assume quei titoli, va qualificato quale usurpatore.

N. B.—I Conti Sant, di padre in figlio, chiedono ed ottengono dal Governo la investitura della Baronia Ghariesciem e Tabia, osservando i patti della transazione di cui sopra è parola."—*The Malta Observer*, 23 *April* 1868, *No.* 889.

The following is an extract from the *Diploma of Count Sant,*

"*te nobilem dilectum nobis* DON BALTHASAREM SALVATOREM DE SANT, *Nobilem Melitensem, in numerum, consortium, cœtum, ordinem atque dignitatem Comitum assumimus, teque una cum Filio tuo* PRIMOGENITO JOANNE FRANCISCO SALVATORE, *et ab hoc eodem nascendi ordine descendentibus, virilis sexus, ex legitimo thoro natis atque nasciturís in infinitum Comitem ac Comites Nostrarum in Italia Provinciarum facimus, nominamus atque creamus: addentes hanc gratiam specialem, ut si aliquando stirpem masculinam familiæ tuæ extingui contingat, Comitis titulus et dignitas* AD PRIMOGENITUM *ex ultima femina generis tui superstite natum vel nasciturum, qui gentis tuæ cognomen assumet, ejusque posteros, modo ante dicto, servatoque semper ordine primogeniali, transeat.*"

I have quoted the above a second time, there being in the extract of the *Corriere*, some slight mistakes.
